PAVING PROJECT WILL EXTEND LIFE OF ROADWAY

WRIGHTWOOD - The California Department of Transportation will seal coat a 2-mile stretch of highway along Route 138 from just west of Hess Road to Lone Pine Canyon Road in Wrightwood. On Thursday, June 10, 2004, from 9:30 AM to 2 PM one lane will be closed while work is underway. A pilot car and flagging operation will be in place to allow eastbound and westbound motorists to take turns traveling through the work zone. Delays may be up to 15 minutes.

Motorists are encouraged to delay their travel time until after 2 PM if possible or use the following alternate routes:

Detours:

From Wrightwood, take Lone Pine Canyon Road.

From the Phelan, take Phelan Road to US 395 and continue to Interstate 15.

Your patience during this highway maintenance project is appreciated. Remember to slow for the cone zone. Your alert and courteous driving will help take you safely to tomorrow.
